

Motor Vehicle Accident Policy

(Please note only applies if therapy is required because of a motor vehicle accident)

Due to recent delayed payments from third party insurances and lengthy legal settlements, Idaho Physical Therapy will no longer accept third party billing and will now require payment as treatment is rendered. If **YOUR** health insurance or auto insurance will not pay during your time of treatment, you will be required to pay 50% of your bill during treatment. Upon your discharge, we require you to pay the remaining balance within 4 months. If arrangements have not been made with Idaho Physical Therapy billing department, at 318-0600, and your bill is not paid within the 4 month period, your account will be referred to an outside collection agency. This will apply even if you have an attorney.

By signing this policy you are agreeing to these conditions.
